A Note on your career and "family" life since 62!

My Mom is going to be 84 years old in June 2003. I have three wonderful children: Ted, Dan and Joanne and five great little grandchildren ages between one and ten and a wonderful companion. I spend winters in Florida and summers in Mass. But I love Florida the most. Hope to be living around the year in future years in the Sunshine State. I am retired from the Department of Environmental Management Division of Forests and Parks for the State of Mass and am working part time at Wilson's Department Store in Greenfield, Mass.

A Pleasant memory from Amherst High:

Just being a part of the wonderful country school and having such wonderful friends and remembering how different school was then. Now everything seems so demanding and a lot more stressful. So much peer pressure for all the young people today.

A teacher and a moment to remember:

Mr. John Cox, English teacher, when I asked him to sign my yearbook and with a sigh of relief, he wrote GOOD LUCK! I'M GLAD YOU MADE IT! (my grade, of course!)
