A Note on your career and "family" life since 62!

It's been hell and it's been heaven!

A Pleasant memory from Amherst High:

I liked everyone from school, but I was always too shy to say much in school. I had a great time.

A teacher and a moment to remember:

Holly Moore catching Eddie Land playing with a yard stick between everybody's legs. Eddie didn't think Mr. Moore was there but Holly just stood there watching and never said anything to Eddie!
