A Note on your career and "family" life since 62!

After graduating I attended Colby College in Maine where I met and married my husband, Bob. We are still married 38 years later. We entered the Air Force for five years. With Bob overseas, I taught in a pilot program in Learning Disabilities in Bath, Maine. We were also stationed in Great Falls, Montana, and I taught L.D. children as well. We had a wonderful chance to see the West.

After the service, we lived in Brunswick and Portland, Maine where I continued to teach young children. Eventually we settled in Richmond, Virginia. Bob has been a therapist at the VA hospital ever since. I spent 8 years in banking and then 15 years as a Lighting Technical Informational Specialist with GE.

We have two children, Kim and Kevin, who are married and live nearby. We enjoy gardening, our old red Miata, summers at Cape Hatteras and occasional trips to Europe.

My mom Ginger Aldrich lives in Amherst at Applewood. My brother Kit is a realtor and lives at the old family mill on Aldrich Lake in Granby. We visit Amherst a couple of times a year. We both enjoyed the Reunion and appreciate the hard work of our organizing classmates. We will attempt to have something scandalous to report for the 50th!

A Pleasant memory from Amherst High:

One memory? Not possible!

Football games, sock hops, Mr Traverso's history class, Mr Eddy's algebra class, chorus, and yes, Latin class!

A teacher and a moment to remember:

While class secretary, I enjoyed the chance to get to know Mr. Eddy. I attended his Alma Mater and my years there were among the most enjoyable of my life.

The current photo is my husband and myself taken Summer 2002 before our son's wedding. The other photos are 40 years apart: Dave Smith and I before a dance in High School, and reenacted 40 years later at Nancy Tulenko's house during her lovely reunion reception!
