A Note on your career and "family" life since 62!

BS Mathematics, U of Mass. Two years teaching high school math. Since then a homemaker doing volunteer work in the schools and happily vegetable and flower gardening.

Married 36 years. Have one son and two step grandsons.

A Pleasant memory from Amherst High:

As Juniors putting on the prom for the Seniors: the theme was Paris with its sidewalk cafes. We lined the entrance with birch trees leading to a model of the Arc de Triomphe. We hid all the bleachers with greenery and hung blue dyed tobacco netting from the ceiling.

A teacher and a moment to remember:

**Mr. Eddy wearing a plaid shirt every week on "racetrack day."
Mr. Hutchinson bringing in fried grasshoppers and chocolate covered ants for us to sample.**
