A Note on your career and "family" life since 62!

Graduated from U. Mass in 1966 with a BS and Springfield College in 1968 with a M.Ed. First married in 1966 and we had two boys (Chris in 1968 and David in 1970). After graduating from Springfield, I had three job offers (Boston, Rochester and Edmonton, Alberta). We chose Edmonton where I was working at the new Univ. of Alberta Students' Union Building as Assistant General Manager. The facility included a curling rink, theatre, night club, meeting rooms, etc. After two years there, I moved to Toronto as Assistant Director of the Association of Student Councils (which provided mainly travel services to all Canadian University students). After two years there, I was transferred to Vancouver to open the West. I have been here ever since. The company changed names to Travel CUTS and I am currently the Regional Manager for British Columbia with 15 offices. I married Barbara in 1986 and she then had an instant family (Chris and David lived with us until they finished University). In 1995, Elizabeth was born and she is such a joy.

We are active in Scouting, church, camping, and traveling.

A Pleasant memory from Amherst High:

ARHS was full of good memories (except exams)...teachers, classmates, lms, theater. Of special note were the good times I had doing stage lighting for stage productions. It was doing the lighting for the Amherst Opera Company that gave me a love for opera.

A teacher and a moment to remember:

Laurel Crouse riding on the dictionary stand around the English class searing at us saying "heavenly dew drips".
